

About This List:

*****Due to constantly changing freight rates this year, these prices are subject to change*****

-THIS IS NOT A CURRENT AVAILABILITY, but rather a list of **all trees and shrubs** we are expecting to receive sometime between April and June of the current season.

-We are constantly restocking our inventory, so expect 1) some plants to sell out, 2) plants not on this list to be added to our inventory, and 3) some prices and sizes to change slightly throughout the season. Unfortunately, time does not allow us to update the list during the season.

- Refers to the number of dry gallons of soil a container can hold. Ex. '#3' refers to a 3-gallon pot.

FP - Field Pot (plant was grown in a field, then dug and containerized).

Caliper - Refers to diameter of trunk measured 6" from the ground.

B&B - Balled and Burlapped.

hvy - Heavy grade, oversized.
