

**About This List:**

**-THIS IS NOT A CURRENT AVAILABILITY**, but rather a list of **all trees and shrubs** we are expecting to receive sometime between April and June of the current season. THIS IS NOT AN EXHAUSTIVE LIST! We have many more trees and shrubs in inventory than is listed here - if you don't see what you're looking for, call and ask for the nursery department.

-We are constantly restocking our inventory, so expect 1) some plants to sell out during the season, 2) many plants not on this list to be added to our inventory, and 3) some prices and sizes to change slightly. Unfortunately, time does not allow us to update this list during the season.

# - Refers to the approximate gallon size of a container. Ex. '#3' refers to a 3-gallon pot.

AB - Refers to the American Beauties collection of native plants.

FP - Field Pot (plant was grown in a field, then dug and containerized).

Caliper - Refers to diameter of trunk measured 6" from the ground.

B&B - Balled and Burlapped.

hvy - Heavy grade.
